Important hints

Technical Meeting

We will hold a technical meeting on Thursday, July 15th at 18:00h in the Jahnstadion (please see signs). Prior to the technical meeting you will receive a final confirmation list, where you can make final changes. After this time, all entries are fixed. If an athlete does not participate, he will be also disqualified for all following events. You can contact the office also via mail (meldung@idm-leichtathletik.de) or by phone (hotline +49 176 322 365 42). Start lists will produced after the closing time and published at the venue and at www.idm-leichtathletik.de.

“Did not start”

An athlete, who doesn't start in a competition without being withdrawn, will be disqualified for this competition and all following.

Competition regulations

The German Nationals 2016 will be held under the following regulations:

- all competitions will be offered 'open' without point system
- if 5 men or women / 5 youth athletes of one start class are present, this class will be separated
- for all other athletes, we try to combine the groups
- The final event programme and class combination shall be determined along with the Technical Delegate after close of the final entry. Raza point system will be used to determine placing for Grand Prix events outlined by IPC Athletics.
- standing and sitting classes will not be combined

Victory ceremonies

There will be ten ceremonies per day in the main stadium. Please check the victory ceremony schedule as the victory ceremony belongs also to the competition. For those participating in the ceremonies please be at the Call Room at least 10 minutes prior to the scheduled time. You will be guided to the victory ceremony area.

All other medals and diplomas can be picked up by the delegation leader at the competition office.

Bib Numbers

Athletes must have their numbers on the front site of their shirt (exception high jump). Wheelchair racers should have their number on the back of their chair. Wheelchair Throwers should have a second number on the throwing chair. Safety pins will not be provided and must be brought by the teams.

Own equipment

Own equipment can be used but must be inspected. Inspection is possible until 2 hours prior to the competition where the equipment should be used. Please get the inspection in time.

Competition Schedule

The attached schedule is provisional. We will check and correct the schedule as soon as possible, but there might be also late changes. Please listen to the announcer or/and check the papers on the information wall.

Detailed venue information

Details concerning the final competition venue will be shown on the start list. Maps showing the competition sites will be available at the venue.

Track events

For the 100m and 200m heats and finals will be offered, all other track events will be time heats.

For wheelchair track events (classes T 32-34 and T 51-54) **a helmet must be worn.**

Warm up

The warm up is only possible at the warm up stadium. Please be aware that competitions may also take place in the warm up stadium.

Call Room

Entrance to the field of play only via call room, please check the call room information. Athletes who are not in the Call Room at the given time prior to their competition cannot start in that event.

Call Room times:

Track:	25 min
Field (throw/ jump):	35 min

prior to the competition time shown on the start list.

Accreditation

For all athletes the start number attached at the shirt or wheelchair is valid as accreditation to get into the last call area from where they will be guided to the competition sites.

Accompanying staff and coaches are not allowed to enter the field of play.

Athletes with the starting classes T/F11 and 12 as well as F 31-33 and F 51-54 can bring an assisting person/ guide to the call room. The assistant/ guide will be given an assistant/guide vest to enter the stadium together with the athlete. There will be a token needed to get the vest (ID card, passport, driver's license or 10€).

In Accordance to IPC Athletics Rule 7 for athletes with other starting classes than those mentioned above exceptions can be made. Those have to be approved. Please apply for exceptions for assistance with the application form that can be found below. Please send the application no later than one week prior to the competition.

Any violation of this rule will be punished by the disqualification of the athlete.

The competition time table might be changed after the final entry!

Classification

The event is open for all impairment types recognised by IPC Athletics. International Classification will be offered for athletes with a Physical Impairment and a Visual Impairment only. Classification dates are July 13th to 15th 2016.

Athletes must be registered with IPC Athletics in order to undergo classification. Priority will be given to licensed athletes, and then afterward registered athletes.

All teams should be aware that all athletes with a N (new) or R (review) status at the IPC SDMS database will be required to attend classification. Those athletes must submit Medical Diagnostic Information to SDMS 4 weeks prior to classification. Athletes who do not provide such information will not be eligible to undergo classification.

Athletes who require classification must arrive in Berlin prior to the classification period, and therefore please plan your arrival accordingly. The timetable for classification will be made by IPC Athletics after the final entry. The organiser of the Grand Prix has no influence on the timetable or any changes. IPC Athletics cannot guarantee classification for athletes entered after the entry deadline.

The timetable will be sent to the NPCs by IPC Athletics. It also will be published on the competitions website www.idm-leichtathletik.de.

In case of questions regarding classification, please contact the responsible person at IPC Athletics, Ms Laura Danning laura.danning@paralympic.org.

Anti-Doping

The regulations of the Deutscher Behindertensportverband e.V. (German Disabled Sports Federation DBS-NPC) clearly outlaw any type of doping.

The Anti-Doping Code of the DBS applies in conjunction with the regulations of the WADA, the IPC, the NADA and – at international competitions – the regulations of the international host federation.

By submitting his or her application as a participant, the athlete acknowledges and accepts the anti-doping regulations in their currently valid version (available online under <http://www.paralympic.org/athletics/anti-doping/documents>).

Athletes are not allowed to take or carry with them any substances that are included on the WADA Prohibited List. Athletes who are found to have violated this rule shall be held individually responsible for their action.

Athletes who are taking medication from the (most recent) WADA Prohibited List for therapeutic reasons will need a copy of their Therapeutic Use Exemption (TUE) for any generally prohibited substance.
