Host City - Dubai:

Dubai enjoys, without a doubt, one of the best locations on the planet. Situated halfway between Europe and Asia, few destinations take more than 8 hours direct flying time to or from Dubai. Just overnight from London, four hours from Nairobi, three hours from Mumbai, 8 hours from Hong Kong and a direct flight from the United States or Australia.

Dubai is one of the few cities in the world that has undergone such a rapid transformation - from a humble beginning as a pearl-diving center - to one of the fastest growing cities on earth. Dubai today is a tourism, trade and logistics hub and has earned itself the reputation of being the 'Gateway between the east and the west.' It is also considered as the dynamic nucleus of the Arabian Gulf region.

Home to just over 2 million people from more than 200 nationalities, Dubai is one of the most cosmopolitan cities in the world. Dubai has a lot to offer. It is safe, politically stable, centrally located, has a good education system and healthcare facilities, modern infrastructure and much more. The sun shines almost every day, the shopping and leisure facilities are impressive.

Dubai is exciting, something new and different happens ever so often. Just when you think you've seen it all, a new project is announced, whether it is the launch of a sports stadium, a mega commercial tower, a residential enclave or yet another shopping mall! Dubai is constantly on the move, striving for greater heights and more facilities and comfort for its residents and visitors.

Tourist attractions in and around Dubai:

Burj AL Arab:

Is a luxury hotel located in Dubai, United Arab Emirates. At 321 m (1,053 ft), it is the fourth tallest hotel in the world. Burj Al Arab stands on an artificial island 280 m (920 ft) from Jumeirah beach and is connected to the mainland by a private curving bridge. The shape of the structure is designed to mimic the sail of a ship. Sometimes referred to as "the world's only 7-Star hotel"

Burj Khalifa:

World's tallest building, a living wonder, stunning work of art, incomparable feat of engineering, Burj Khalifa is all that, in concept and execution, Burj Khalifa has no peer. More than just the world's tallest building, Burj Khalifa is an unprecedented example of international cooperation, symbolic beacon of progress, and an emblem of the new, dynamic and prosperous Middle East.

The Dubai Fountain designed by WET Design, can spray 22,000 gallons (83,000 liters) of water in the air at any moment. More than 6,600 lights and 25 color projectors have been installed.

The Dubai Fountains project water in the air in many different combinations and patterns. The beam of light shining upward from the fountain can be seen from over 20 miles away. The fountain lake fills the gap between the Dubai Mall, The palace hotel, Souk Al Bahar and The Address Downtown Burj Dubai.

Palm Island Dubai Palm Island Dubai (Jumeirah Palm Island) is one of the most ambitious real-estate developments on earth, heralded as the 8th wonder of the world as it can be seen from space along with another major landmark, The Great Wall of China.

Atlantis Dubai Atlantis Dubai is a huge tourist hotel complex is located in Dubai, opened in impressive and huge ceremony at a cost of U.S. \$ 20 million on November 20, 2008, a project of the South African entrepreneur Sol Cairns. The hotel is located on the Palm Jumeirah at the checkpoint north of the island; it can be reached through an underwater tunnel on the railway line. The hotel costs up to 1,200 million.

The hotel is a form two towers connected by a bridge, the hotel has 1,539 rooms, the most expensive suite dining table with 18 seats, located above the central arch of the building cost approximately \$ 25,000 per day. Most restaurants carry Michelin stars. It also includes a water basin and a variety of other recreational amenities, guests can swim with dolphins training. Treasures, debris, and other things (artificial) belonging to the legendary continent of Atlantis can be seen from the sunken under water through roads and yards behind the glass, which is a tunnel and underground passage.

Ski Dubai is the first INDOOR ski resort to open in the Middle East. The resort is located at the heart of Mall of the Emirates, a famous shopping center in Dubai's central part of the city. The Ski Dubai arena boasts a mountain-themed 22,500 square-meter space of skiing, snowboarding and tobogganing. If you just want to hang around and enjoy the nice temperature which is around 3 degrees Celsius. There is also the 3,000 square-meter Snow Park dedicated to people who just want to play in the snow with some nice slides

Dubai Marina Walk you are in the perfect position to make the most of everything Dubai Marina has to offer. This 7 km long pedestrian walkway runs around from the start till the end of Dubai Marina, with a string of cafés & restaurants along the waterfront and dozens of luxury yachts and fancy speedboats moored up alongside. The Dubai Marina community often holds events such as the Marina Market and artist's performances at Marina Walk.

Metro Dubai driverless fully automated metro rail network in the United Arab Emirates city of Dubai. The Red Line and Green Line are operational, with three further lines planned. These first two lines run underground in the city center and one elevated viaducts

elsewhere (elevated railway). All trains and stations are air conditioned with platform edge doors to make this possible.

Dubai Tram

The Dubai Tram (previously the Al Sufouh Tram) system was designed to be an integral part of the Dubai transport network, linking the Dubai Metro and the Palm Monorail and running along Al Sufouh Road and Jumeirah Beach Road from Mall of the Emirates at one end to the Dubai Marina. After initially being planned for completion in 2009, when the first phase of the Dubai Metro was completed, it was first delayed until 2012, and it was subsequently announced that the Dubai Tram System was being delayed by another 2 years and will now be ready in 2014 due to the downturn in the global economic climate. In 2013 Sheikh Mohammed officially unveiled the designs for the interiors of the trains and of the stations and plans were made to up the tempo of the development of the Dubai Tram so that it would indeed be ready by 2014.
