

## Medical Diagnostic Form for ALL Athletes with Physical Impairment

To be eligible for World Para Athletics an athlete must have an underlying medical diagnosis (Health Condition) that results in a Permanent and Eligible Impairment (article 7 in the World Para Athletics Classification Rules and Regulations). The measurement of impairment conducted during the classification process must correspond to the diagnosis indicated below.

Completed forms and relevant Medical Diagnostic Information must be uploaded to the athlete's SDMS profile upon registration of the athlete to the SDMS. World Para Athletics holds the right to request further information, if additional information is required. The athlete will not be able to undergo classification, until such time as the requested information is provided. **Please fill in the form electronically.**
